

Traceable-IT Registration Guide

The following document is a step by step guideline for registering the Traceable-IT software.

1. To register Traceable-IT:

1.1. Select the key registration method by clicking the Complete or the Individual radio button.

1.2. Enter your registration key located on the Checklist. The registration key also appears in the file named "Traceable-IT Key" on the installation CD.

The screenshot shows a window titled "Traceable-IT Registration Wizard" with a close button (X) in the top right corner. The main heading is "Step 1 of 4 : Enter your Registration Key". Below this, a yellow box contains the instruction: "Please enter your 26-digit Registration Key below, either as a single piece (Complete), or as individual pieces (Individual) and click 'Next' button. If 'Next' button is grayed-out, your Registration Key is not valid." Under the heading "Registration Key:", there are two radio buttons. The "Complete:" radio button is selected, and its corresponding text box contains the key "12YT7-LFCXN-V37BK7-P2AE8-RK3M1". The "Individual:" radio button is unselected, and its corresponding text boxes contain the key split into five segments: "12YT7", "LFCXN", "V37BK7", "P2AE8", and "RK3M1". A "Next >" button is located to the right of the input fields.

1.2.1. Click the **Next** button. The Wizard generates a Registration code.

The screenshot shows a window titled "Traceable-IT Registration Wizard" with a close button (X) in the top right corner. The main heading is "Step 2 of 4 : Contact Monode with this information". Below this, a yellow box contains the instruction: "Please contact Monode Software Registration Department at (440) 975-8802 with the information below and then click 'Next' button." Under the heading "Registration Key:", there is a text box containing the key "12YT7-LFCXN-V37BK7-P2AE8-RK3M1". Below that, under the heading "Registration Code", there is a text box containing the code "3638-C296". To the right of the "Registration Key" box is a "< Back" button, and to the right of the "Registration Code" box is a "Next >" button.

1.3. If your computer is connected to the internet, your key is registered automatically. If your computer is not connected to the internet, contact Monode. Have your key and registration code handy.

1.4. If you are registering offline, enter your confirmation code and click **Next**.
